Both your spirit's by my side

I know that no matter what

You'll both will always be with me.

When life separates us

I'll know it is only your soul along with our baby girl Miwa who barely begin live so young so pure so innocent.

Life is cruel it not fair they say you gain something new in life to order lose something that mean alot to you.

Saying goodbye to both's your's body

But your's both's spirit will be with me always.

Always on my side for the good and the bad.

When I see a bird chirping on a nearby branch

I will know it is you singing to me.

When a butterfly brushes gently by me so care freely

I will know it is you assuring me you are free from pain.

When the gentle fragrance of a flower catches my attention

I will know it is you reminding me

To appreciate the simple things in life.

When the sun shining through my window awakens me

I will feel the warmth of your love along with your mother love.

When I hear the rain pitter patter against my window sill

I will hear your words of wisdom along with our baby girl Miwa making adorable baby noise.

And will remember what you taught me so well' how appreciate life along with live.

You taught me on my lonely days when i feel alone warmn present along my worst days the lovely memories we share the three us share both of your bodies physical is gone.

The memories i have of theee us my old human life you both are here with me spiritually.

That without rain trees cannot grow

Without rain flowers cannot bloom

Without life's challenges I cannot grow strong.

When I look out to the sea

I will think of your endless love for our once family. Along my new life along my new family with our fours sons.

When I think of mountains, their majesty and magnificence

I will think of your courage my heart keep beating more each time i think of you .

No matter where I am

Your spirit will be beside me

For I know that no matter what

You will always be with me.

My Tang Shen and my baby girl Miwa.
